## **BOATS/CANOE RACKS**

All kayaks, canoes, paddle boats and row boats need to be removed by Veteran's Day weekend, November 14, 2015. Thank you, as always, for being responsible with your boats as snow and ice will damage them. Any boats not removed will be placed in the overflow area for your pick-up. Please contact Carol Mallette-Tonken for any OHRV stickers or canoe stickers which are required.

## **BY-LAW CHANGES**

Please update your By-Laws as they have changed by going to our Website and printing the entire 10 pages to replace your outdated version or follow the link below.

## **NEIGHBORHOOD WATCH**

Fellow Chocorua Ski & Beach residents, we remind you to lock your car and home doors, remove valuables from sight and be diligent in reporting unusual incidents or suspicious activity. Please remember our Neighborhood watch program and the intent of the program:

**“A Neighborhood Watch Program is a group of people living in the same area who want to make their neighborhood safer by working together and in conjunction with local law enforcement to reduce crime and improve our quality of life.”**

Please report suspicious activity to the local law enforcement groups and inform The Board of Directors so we can communicate to the Association as needed.

## **SERVICE DOGS**

This year we had several service dogs on our beach and we send this out as a reminder to all.

Service animals/service dogs must obey leash laws and vaccination requirements and must be under the control of their handlers at all times. Their behavior should be neither disruptive nor destructive. Only service dogs accompanied by proper paperwork, will be allowed on the beach area, NO exceptions.
